

Commodore Steamer

SPECIFICATION

From the golden days of the great transatlantic liners, comes the inspiration for our superbly designed Commodore Steamer Chair. It uses marine quality solid brass fittings plus ergonomically shaped components to give a high level of comfort. The back rest can be reclined to one of four positions to suit your mood. Supplied fully assembled, cushion available. We received a design award for this chair when we introduced it in 1984 since when it has been copied extensively.
