STONEHOUSE**

BENNETT SOFA RANGE

- The frame is crafted from a blend of engineered wood and firwood, combining quality materials for lasting durability and structural integrity
- The feet are crafted from wood
- Featuring an advanced elastic webbing seat and back suspension. The high-quality, flexible webbing provides lasting comfort and durability. This system evenly distributes weight, ensuring a consistently supportive and comfortable seating experience
- The mattresses in sofa beds experience some degree of normal shrinkage over time compared to their initial measurements
- The rustic character of this collection ensures that each piece is unique, with variations in grain, colour, and natural splits enhancing its inherent charm. Embracing the imperfections and individuality of the materials used, this range exudes a distinctive and authentic aesthetic. The presence of these natural elements adds character and warmth to the furniture, making each item a one-of-a-kind piece that tells its own story

To care for leather furniture, regularly dust and vacuum it, wipe spills promptly and avoid placing it in direct sunlight or near heat sources
