

PICA

design Studio E-ggs

Piccoli dettagli come un angolo sfaccettato e la particolare geometria delle gambe dal sapore Déco, sono il cuore della collezione di madie Pica. I diversi materiali, la decorazione dei pannelli laccati, i diversi accessori inseribili sul top, così come i vani a giorno in contrasto cromatico, rendono questa collezione estremamente contemporanea e versatile.

Small details such as a faceted corner and particular geometry of the legs with a déco taste, are the heart of the collection of Pica sideboards. The different materials, the decoration of the lacquered panels, the different accessories that can be inserted on the top, as well as the open spaces, in contrasting colours, make this collection extremely contemporary and versatile.
