

#### Satisfaction, delivered.

Exceeding expectations is so much more rewarding than simply meeting them. Take our expert delivery service for example. We don't just deliver to your door, we'll place your furniture exactly where you want it, carefully unpack it for your inspection, and then, when we're sure you're delighted with everything, we'll take the packaging away with us.

#### We recycle, you relax

If your purchase is to replace furniture you no longer wish to keep, we can help you with the removal and responsible disposal of the unwanted items. Just ask in store for details.

#### Hear it from our happy customers

We're very proud of our furniture and service, but then we are biased. What really delights us is that we receive so many positive comments from people who aren't. To share their stories, visit [www.barkerandstonehouse.co.uk](http://www.barkerandstonehouse.co.uk) and read our customer testimonials.

#### Passionate about furniture for over 65 years.

We've been getting a warm glow out of bringing you the finest quality furniture since 1946. Today, while you'll find the cutting edge of 21st-century design alongside our timeless classics, our standard of service and attention to detail has remained constant throughout. We hope you'll enjoy that same glow of satisfaction from all your B&S purchases, now and for years to come.

#### Expert advice to help you choose.

Every one of our furniture ranges tells a story - and our sales assistants are fully trained so they can share them with you. All of our staff have been to visit our manufacturers, so if you want to know how an item has been produced or how best to look after it, just ask.

#### 0% finance? Fine.

Purchase from one of our showrooms and our 0% finance option means you can spread the cost as easily as you can spread out on one of our invitingly oversized sofas. Terms and conditions apply - just ask in store for more details.

#### A guaranteed commitment to quality.

Real quality isn't just apparent in the subtle sheen of the finest nappa leather or the solid embrace of expert craftsmanship. It's apparent years later, when the beauty, comfort and practicality of your B&S furniture are all the more appreciated because they are the last. We're proud of this quality. That's why we offer a 2 year guarantee on all our furniture, which can be extended to 5 years should you wish.

#### Doing good with wood.

We're pleased to be a founding member of Trees4Trees, a non-profit organisation established in Indonesia to empower local communities through an ongoing reforestation and education programme. Already, over half a million saplings have been planted as a result of the initiative - good for the planet, the growers and the future of sustainable furniture.
