

Ercol Lugo – Dining Range

Specification

- Made from Solid Tulip Wood with a dark rich toned stain
- The sideboard features 3 drawers and 1 double cupboard with a single fixed shelf
- The medium dining table has an extending mechanism leaf stored within the table
- Both dining chairs have an upholstered foam seat for extra comfort
- Most of this range can be wiped with a damp cloth, use a micro fibre cloth for the shelving unit and professional care only for the dining chairs

Tall cabinets may need fixing to the wall to prevent tipping, most items being marked accordingly.

We recommend the use of coasters and placemats to protect table surfaces, please do not place hot dishes directly on the surface and ensure you wipe spills immediately.
