# HOUSTON SOFA RANGE

- Crafted with a blend of advanced composite materials and sturdy masonite, the sofa frame offers a perfect combination of durability and structural integrity
- Mixed composites with Masonite frame
- Webbed and pocket sprung suspension
- Foam and layered fibre filled seat and back cushions for a supportive sit
- Wooden feet with dark walnut finish
- The seat cushions are thoughtfully designed with a combination of high-density foam and layered fibre, creating a harmonious blend of support and plush comfort
- The back cushions feature a dynamic composition, combining the softness of loose fiber fill with the structured support of foam, offering an ideal balance of comfort and stability
- Outback leather is a full aniline hide that has been dyed and hand-finished with wire brushes. This process creates a unique look with each piece varying in distressing and shading enhancing its character
- This range is available in many different hides, each with unique characteristics, including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use

*Dust down and vacuum regularly. Protect from direct sunlight to maintain the fabric colour*
