

Parker Knoll Meredith – Sofa Range

Specification

- Birch hardwood and engineered wood frame, glued, screwed and stapled
- Fishmouth sprung seat with compressed fibre and webbed and foam back unit
- A choice of encore fibre or premium comfort foam seat interiors.
- Fibreboard arm with foam fabricated pad and Dacron wrap
- Turned show-wood front legs with brass castor and haunch rear legs in cherry finish. Optional leg finish: American mahogany, teak, cherry, chrome or no castor.
- 2x 43cm feather filled scatters with each sofa, optional fibre filled
- Optional armcaps available
- Regularly plump all cushions to maintain performance. Please refer to the care and commitment leaflet for further details.

This range is available in many different hides, each with unique characteristics including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use.
