PURE Furniture

Our Story

Pure Furniture was established in Romania, Eastern Europe, in 2002 by three furniture enthusiasts.

The company specialises in manufacturing reproductions and updated classics in an authentic and vintage style, from sketch to prototype to finished product.

Pure Furniture is well known for its unmistakably unique and authentic look and feel. Every item in the collection is made with the finest materials, such as genuine buffalo leather from Italy, solid rustical and reclaimed oak (which has been ageing for hundreds of years), and carefully selected fabrics.

These characteristic materials, combined with ancient skills of finishing (handpolishing, waxing, scraping and sanding by craftsmen) make every single piece of furniture a timeless and authentic piece of art.

Passion, pride, true craftsmanship, high-quality materials and purity is what drives us.

Story driven furniture.

Pure Hand Coloured Leather

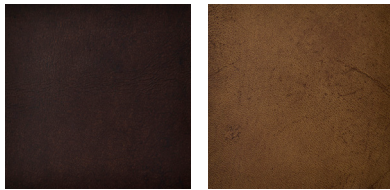

Our upholstered leather collection is well known for its unmistakably unique authentic look and feel. Every item in this collection is made from carefully selected genuine buffalo leather and coloured by hand.

This full grain leather, with its worn, distressed appearance and natural markings (such as healed scars, scratches and wrinkles), is ideally suited to our leather upholstered collection.

The authentic quality is created by many different treatments, such as sanding, hand polishing and waxing, just as it was done in the early years by true craftsmen.

Our unique, hand-coloured leather is available in 16 different leather colours, with semi-gloss and matt finishes.

An easy 3 step maintenance available for each colour.

Oak collection

Pure Furniture's Wood collection is well known for its carefully selected reclaimed and rustical oak, with unique colour shadings and robust, vivid characteristics.

Using ancient techniques and skills of finishing by craftsmen, such as scraping and distressing, our Rustical Oak is transformed into a timeless and authentic piece of art.

If you prefer a smoother surface, our Oak BC collection could be more suitable. This is in fact the 2nd layer of Reclaimed oak, with less cracks and colour shadings.

Both solid oak types can be finished in all available colours with Silverback grey as an exception on the rule.

*The colour Silverback can only be selected on Oak B/C.
