

TEMPUR CLOUD® SMARTCOOL® **SOFT**

OUR PILLOW FOR ULTIMATE COOLING COMFORT AND SUPPORT

Our pillow for ultimate cooling comfort and support. Made with TEMPUR Adapt® Material that relieves pressure and adapts to you. Sleep on extraordinary plushness and experience innovative Tempur SmartCool™ Technology woven into the cover that's cool-to-the-touch and absorbs excess heat to keep you feeling cool and fresh.

TEMPUR ADAPT® MATERIAL

TEMPUR Adapt® Material takes the unique TEMPUR® feeling to a new level. The amazing body-conforming and pressure-relieving technology TEMPUR® is known for is now even more resilient and long lasting. Adapting to your head and neck shape, TEMPUR Adapt® Material provides complete comfort and continuous support.

TEMPUR CLOUD® SMARTCOOL® COVER

Our ultra-soft cool-to-the-touch cover with TEMPUR SmartCool™ Technology helps to absorb excess body heat to keep you feeling cool and fresh.

SOFT FEEL

A cosy soft feel with body conforming support.

SLEEP POSITION

No matter how you sleep: on your front, your back or your side, the TEMPUR® Material inside our TEMPUR Cloud® pillow range adapts precisely to your shape for ultimate comfort and support.

WASHABLE COVER

Your pillow is vital to your health and well-being, so it's important to keep it clean and fresh. With our washable pillow covers, you can machine wash TEMPUR Cloud® SmartCool® covers up to 40°C by easily unzipping for laundering.
