# TRINIDAD

## DINING RANGE

**BARKER AND  
STONEHOUSE**

# TRINIDAD DINING RANGE

- Crafted from reclaimed teak wood and a Mortex faux stone.
- Modern and contemporary look thanks to its stunning fluted wood design and contrasting dark tops.
- Mortex is a plastering technique consisting of 95% natural product. The combination of minerals, chalk and cement make Mortex as hard as stone.
- Mortex is applied by hand so each top has a different structure. It is also waterproof and resistant to wear and tear, heat and scratches.
- For stains and daily cleaning we advise water and a natural soft soap

*The rustic nature of this range means no two pieces are the same, grain-ing, colour variation and natural splits adding to the natural charm.*

*We recommend the use of coasters and placemats to protect table surfaces, please do not place hot dishes directly on the surface and you wipe spills immediately.*
