**TROY
SOFA RANGE**

**BARKER AND
STONEHOUSE**

TROY SOFA RANGE

- The frame is meticulously constructed from a blend of engineered wood, firewood, and masonite. This thoughtful combination ensures a sturdy foundation, blending modern resilience with the timeless appeal of firewood for a reliable and stylish seating option
- Iron feet with a dark bronze coating and plastic support feet, can be removed for easy delivery
- The seat and back cushions are thoughtfully designed with a combination of fixed high-density foam and layered fibre, creating a harmonious blend of support and plush comfort
- Robust and flexible webbed seat suspension system, ensuring exceptional resilience and long-lasting support for a truly comfortable seating experience
- This range is available in many different hides, each with unique characteristics, including scars, grain variation and other markings. It is normal for leather to show signs of creasing and stretching and for interiors to lose density from use

To care for leather furniture, regularly dust and vacuum it, wipe spills promptly and avoid placing it in direct sunlight or near heat sources
