WESTMINSTER FEATHER

T-WES-SS-0001-K

Leather and feather adopt the best of both worlds in this 'king of comfort' combination. We've taken all the classic charisma of our Chesterfield-inspired Westminster sofa and injected it with pure, unadulterated luxury in the form of plump feather filled and foam cushions to hold shape. Sink into pure relaxation in this sensuous marriage of premium down and warm buttery vintage leathers. Leather finish comes with stud detailing, fabric finish comes with piping instead of studs.
